

Application invited for participation in ZED Master Trainer/Assessor/Consultant Training Programmes

Introduction:

This ZED Certification Scheme is an extensive drive of the Government of India to enhance global competitiveness of MSMEs by providing them financial support in assessment, rating and hand holding of its manufacturing processes on Quality and Environment aspects. The complete details along with the scheme guidelines are available at www.zed.org.in.

Objective of these Trainings:

The training programs are one of the most important components of the ZED scheme as the ZED Master Trainers, Assessors and Consultants will play a pivotal role in ZED assessment & certification, consultancy to MSMEs for their graduation to higher levels. QCI will therefore carryout a number training of ZED Master Trainers, Consultants & Assessors.

QCI is inviting application from eligible professionals who wish to undergo these 5-Day training. Professionals are expected to be familiar with MSME specific shop-floor level work experience, shop floor consultancy, sound technical understanding of technical areas such as Kaizen, SPC, Six Sigma, Lean Management, ISO 9000, ISO 14000, ISO 18000, ISO 21000 and other management standards, etc. as per **Annexure 1**.

Note: Annexure 1 refers to the pre-selection criteria for applicants to participate in the ZED Training Programs.

Trainers/Assessors/Consultants and industry experts undergone through training or assessments for Business excellence models like CII-EXIM Bank Awards, Baldrige Award, Rajiv Gandhi Award, Ram Krishna Bajaj Award and industrial business excellence awards of TATA, Aditya Birla, Godrej, Bhel, NTPC, BEL, etc. will be given preference.

Selection of Participants:

Resumes of applicants will be screened as per defined eligibility criteria and short-listed candidates will be invited to undergo the training provided. All the professionals who are declared successful will sign the Non-Disclosure Agreement regarding their availability in future for supporting the ZED Scheme via Master Trainer/Assessor/Consultant.

Note: *Regarding applications for Assessor Training* - Preference will be given to the applications which are being nominated directly by Certification Bodies/Inspection Bodies/Credit Rating Agencies/any other Applicant Organization applying for NABCB Accreditation (ZED scope). All the ZED Assessments shall be carried out only by ZED Assessors of QCI/NABCB accredited

Certification Bodies/Inspection Bodies/Credit Rating Agencies/any other Applicant Organization. A nomination mail is required to be sent by the Certification Bodies/Inspection Bodies/Credit Rating Agencies or Consulting Organizations for individuals who wish to apply for ZED Assessor Training or Consultant Training Program respectively.

Participation fee:

There is **NO** participation fees for undergoing these trainings. However, No TA/DA will be provided for participants. Participants has to arrange travel & stay on their own.

Evaluation, Passing & Certification:

Participant who undergoes 5-Day training of Master Trainer/Assessor/Consultant will be evaluated each day on various parameters and an exam will be conducted on last day of training. Professionals who are declared successful by **ZED Awareness and Implementation Committee** will be empanelled as Master Trainer/Assessor/Consultant and relevant certificate is awarded with a validity of 3 years.

Important Points

1. Only online applications would be considered.Registration is on first come-first serve basis.
2. The locations displayed online for the Training Program are tentative, subjected to the approval by the competent authority and the minimum number of available participants at that particular location.
3. Participation is based on fulfilling the Eligibility Criteria and only shortlisted candidates will be notified subsequently via email as well as phone.
4. A 2 hours written exam will be conducted at the end of 5th day. **The successful completion of the evaluation is** must for all those professionals who want to qualify as Master Trainers/Consultants/Assessors under ZED Certification Scheme.
5. Please note that successful completion of the training Program does not guarantee the allotment of business by QCI/ZED.
6. For any queries regarding registration please mail @ zed-tp@qcin.org or contact Ms Shrishti +91 8391850169 , Ms Rashi +91 9760375933.

Annexure 1- Competency Criteria for Professionals

1. ZED Industry Sectors

The ZED Maturity Model is applicable for the following sectors of manufacturing industry as per the sector (with NIC code) list available on website link <http://udyogaadhaar.gov.in/UA/UAMRegistration.aspx>:

NIC Code	Sector	NIC Code	Sector	NIC Code	Sector
10	Manufacture of food products	16	Manufacture of wood and products of wood and cork, except furniture; manufacture of articles of straw and plaiting materials	22	Manufacture of rubber and plastics products
11	Manufacture of beverages	17	Manufacture of paper and paper products	23	Manufacture of other non-metallic mineral products
12	Manufacture of tobacco products	18	Printing and reproduction of recorded media	24	Manufacture of basic metals
13	Manufacture of textiles	19	Manufacture of coke and refined petroleum products	25	Manufacture of fabricated metal products, except machinery and equipment
14	Manufacture of wearing apparel	20	Manufacture of chemicals and chemical products	26	Manufacture of computer, electronic and optical products
15	Manufacture of leather and related products	21	Manufacture of pharmaceuticals, medicinal chemical and botanical products	27	Manufacture of electrical equipment

NIC Code	Sector	NIC Code	Sector	NIC Code	Sector
28	Manufacture of machinery and equipment n.e.c.	31	Manufacture of furniture	35	Electricity, gas, steam and air conditioning supply
29	Manufacture of motor vehicles, trailers and semi-trailers	32	Other manufacturing		
30	Manufacture of other transport equipment	33	Repair and installation of machinery and equipment		

2. Education

The professionals shall be either Graduates in Engineering/Diploma (3 years) or Masters (in Science or Technology) qualification.

Note: Diploma/Degree/Masters in Pharma will also be considered.

3. Technical Skills as per ZED Disciplines:

For Assessors and Master Trainers and Consultants (nominated through Consulting Organizations): Minimum 3 ZED Disciplines (Mandatory: At least 1 from each group)

For Individual Consultants: Knowledge of all 10 ZED Disciplines is mandatory

Group	ZED Disciplines	Area of Knowledge /Expertise
A (minimum 1 required)	QMS	Quality Management System: Experience in design, implementing, auditing, maintaining and improving QMS. Including Maturity model implementation and assessment expertise.
	Environment Management	Environment Management System: Expertize of implementing, maintaining, auditing and improving EMS. Aspects & Impacts Analysis and Environment Initiative implementation. Natural Resource Management (NRM) techniques.Maintenance of environment /NRM equipment.

Group	ZED Disciplines	Area of Knowledge /Expertise
B	Best Business Practices	Best Business Practices: Balanced Score Card, Periodic Management Review, and Cross Functional Practices for NPD, Waste Reduction, Improvement initiatives and customer complaints etc. Maintenance planning/Autonomous maintenance/Improvement in MTTR/MTBR etc.
	Best Manufacturing Practice	Best Manufacturing Practices : Knowhow of best business practices like Lean Six Sigma / TPS, TQM, TPM, FMEA, SPC, MSA, NPD (APQP & PPAP), Producing Zero Defect, Pokayoke / mistake proofing, Product and Process Validation Methodologies etc. Know how, control and improvement expertise of different manufacturing processes.
	Supply Chain Management	Supplier initial evaluation / assessment, feedback and continual development monitoring expertise in manufacturing domain. Supply Chain Management, Material Management, Inventory Management, JIT, Material Movement, Storage, Traceability, Packaging and Delivery management. Disposal after use.
C	Continual Improvement	Hands on experience in diagnostic / gap analysis study to identify scope of improvement and roadmap preparation and facilitation for implementation. Problem Solving (In-house Rejection, Customer Line / Field & Warranty Rejection, Customer complaints), Contingency Planning and Continual Improvement.
	Energy Management	Energy management and energy saving techniques : Implementation, auditing and improving energy efficient techniques
	IPR	Intellectual Property Rights: Safe guarding innovation & Creativity (Trademark, Patents, Copyright etc.)
	HRM	Human Resource Development, Competency Mapping, TNI, OJT, Multiskilling, Employee Engagement Techniques experience
	Finance Management	Financial Management, MSME Financial Matrix System
